

## Data Specialist training

### Module 3: Problem Management

#### Individual exercise

As you already know, there is a very important regulation (GDRP) companies should know and take into account during projecting and executing processes regarding communication and data management.

Please write down what kind of good practices, restrictions and obligatory actions (what to do and what not do to) you know in terms of GDRP.

What should You do?

Item no.	Good practice or obligatory action regarding GDRP
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.	

What shouldn't You do?

Item no.	Good practice or restriction regarding GDRP
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.
