

E-Commerce Developer training

Module TM04: Technical basis

Group exercise

Imagine that you are just one breath away from the creation of your business! Lets' start to create it...

Having as a guide what you read in the presentation give us information about what you have decided, answering the following questions:

1. What's the Domain Name of your e-business and what elements did you take into consideration before your final decision?
2. Which Domain Name Registrar did you choose and why?
3. How much does it cost and for how long?
4. Which Hosting Provider did you choose and why?
5. How much does it cost and for how long?
6. Which Website Builder did you choose and why?
7. How much does it cost?
